

Santa's favorites are definitely Mont-Sainte-Anne and Stoneham

Beaupré, December 14th, 2016 – Santa is definitely playing favorites this year! Mont-Sainte-Anne and Stoneham Mountain Resort were blessed with an incredible start of the season. Just 10 days before Christmas, the resorts display a wide ski area for this time of year and incredible snow conditions, with already about 55 inches received since the beginning of the season. Our snowmaking systems are also in full swing to ensure even more open trails for this period! Furthermore, Stoneham and Mont-Sainte-Anne will also host many Christmas activities for all ages and interests, to brighten the holiday season for outdoor enthusiasts.

Fun for all

Visit from Santa Claus, candies everywhere, jewelry workshop for kids, storytellers, musicians, fireworks on New Year's Eve, mimosa on January 1st, and friendly lark and races, there will be frenzy in the air at the mountains!

New Year's Eve at the mountain

At Stoneham, the adults will celebrate New Year's Eve in style with the traditional great party at le Quatre-Foyers bar (including a gastronomical dinner at the restaurant – booking is mandatory). The hotel Château Mont-Sainte-Anne, at the foot of the slopes, also proposes a special gastronomical night on that special day. At midnight, get outside for our fireworks treat!
