

The largest ski area still open in the East is in Québec City area!

Beaupré, 2016, April 14 – With snow received over the past few weeks and the amazing forecast for the next few days, Mont-Sainte-Anne wasn't going to miss out on the great temps; the resort will be stretching its weekend and will be open tomorrow, Saturday and Sunday. While few resorts are still in operation at the present time, Mont-Sainte-Anne still offers 95% of its slopes, which makes it the largest ski area available in the East!
