# OUR MUST-DOS & MUST-SEES

## Parc de la Chute-Montmorency

Minutes away from Old-Québec and offering the perfect blend of history and the great outdoors are the Montmorency Falls. Dominated by an impressive 83-ft waterfall (in all its might!), the site can be observed and enjoyed up close, in all its beauty: choose between a panoramic tour or guided tour, walk the promenade and for the more daring – try its via ferrata!

## Sainte-Anne-de-Beaupré Shrine

The oldest pilgrimage site in North America, this sanctuary is dedicated to the grandmother of Jesus, Saint Anne. Paintings, mosaics, stained glass, stone, and wood sculptures admirably showcase the extraordinary history of the Sanctuary. Entering the basilica is discovering a sacred place filled with heavenly peacefulness, where religious ornamentation appears like pages from a time-worn history book. Other must-sees are commemorative chapel La Scala Santa, the Saint Anne fountain, and its Stations of the Cross.

Mont-Sainte-Anne

## Mont-Sainte-Anne

Whether to ski, hike or mountain bike, Mont-Sainte-Anne proposes a full lineup of 4-season activities for fans of the great outdoors. From the summit, why not set out to admire grandiose views of the St. Lawrence River and surrounding Québec City region. In winter, its skiable terrain includes 3 faces offering 71 all-level trails. In summer, choose between several options: 25 km of hiking trails, 135 km of mountain bike trails, a pump track, a frisbee golf course and golf course, a campground... Teeming with exciting activities, Mont-Sainte-Anne is paradise for outdoor sports enthusiasts.

---

## Canyon Sainte-Anne
